2023

**MANUFACTURING OF
ALUMINIUM ALLOY INGOTS**

- **Established in the year 2022**
- Production Started in April 2023
- **Promoters:**
 - Mr. Jaimin Patel
 - Mr. Briyan Patel
- **Plant capacity - 3600 MTPA**
- Located in Kalol (Gujarat) on a mission to provide ingots with precise specifications and consistent quality to the Die Casting industry. Our team is committed to promoting sustainable practices and reducing waste by offering innovative recycling solutions.

Mission

To provide our customers with high-quality aluminium alloy ingots that meet their exact specifications. We strive to be a reliable and trusted partner to our customers, delivering consistent quality and exceptional service.

Vision

To be the leading manufacturer of apex quality, sustainable aluminium alloy ingots. We aim to continuously improve our manufacturing processes and products to meet the changing needs of our customers and the industry. We aspire to be a model of sustainable and responsible manufacturing, using innovative processes and technologies that minimize waste and reduce our environmental impact.

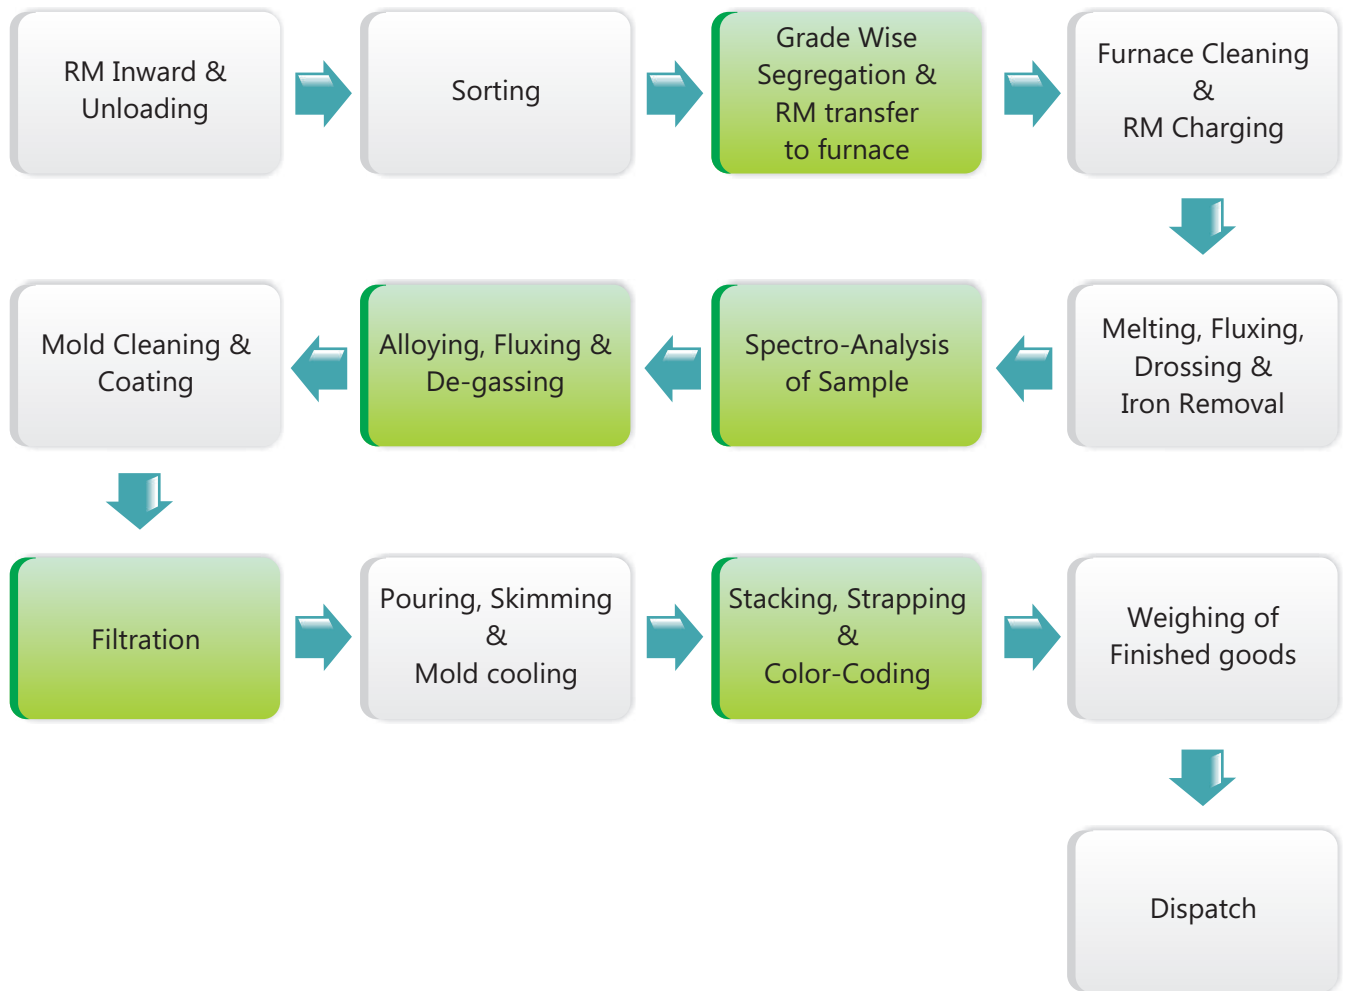

**Shreedhar
Metal**

- Strive to understand our customers' needs and expectations, and work closely with them to provide solutions that meet or exceed their requirements.
- To use state-of-the-art manufacturing processes and equipment to ensure that our products are of the highest quality, and continuously improve our processes to enhance product quality and consistency.
- To maintain a rigorous quality control system that ensures all of our products are thoroughly inspected and tested to meet industry standards.
- Committed to comply with all relevant laws, regulations, and industry standards, and continuously monitor and improve our processes to maintain compliance.
- Our employees are key to our success, and continuous investing in their training and development to ensure that they are equipped with the knowledge and skills to meet our high standards.
- We are committed to continuously improving our products, processes, and services, and we welcome feedback from our customers to help us achieve this goal.
